Call to Order

The Public Hearing was called to order at 6:30 pm. There were no virtual attendees or visitors present.

Budget Review

- Mr. Ransom opened the hearing.
- Ms. Herny explained the purpose of the hearing (to allow for public discussion and questions). She confirmed that as the Council has requested in July, \$100,000 in funding was moved from potential sidewalk work to potential storm sewer work.
- DLGF had also recommended we move \$5,500 from 2026 to 2027 by reducing the 2026 appropriation from the Cumulative Capital Development fund, which will make that money available for 2027. She presented a resolution for this purpose. The Council voted unanimously to agree to this reduction and signed the resolution.
- Ms. Herny also mentioned that new LIT estimates for 2027 have been released. The new LIT estimate is approximately \$57,718 plus \$30,933 for LIT public safety. This represents an increase of approximately \$11,000 over what was originally entered in the budget.
- The new budget forms will not be available to the public via Gateway until the formal adoption in September, but Ms. Herny can pull and send current versions of these reports if requested by any member of the public.

Adjournment

As no other public questions were asked, Mr. Ransom closed the hearing at 6:40.
